**Huge Shoutout to JR Niklos and the Boom Staff for another wonderful time at your Showcase. Been coming here since 2017 and every year I have been impressed with this showcase. Again, this is one the best showcases in the country in my opinion, well organized and thought out by this staff. Below are players who impressed me and showed me something at the Best of Best Showcase on Sunday. As always in my scouting, I also look at the HUDLS/Game Film as well (Gamefilm doesn't lie). It took some time because I wanted to double check to make sure I got the numbers right on the showcase list. If I made a mistake on numbers please send me an email at [coachbigpetefp@gmail.com](mailto:coachbigpetefp@gmail.com) (TRUST ME I'M NOT PERFECT LOL).**

**Drew looked great today along with his playmaking ability against the pass and huge int grab. Huge athletic recruit in the state of Illinois that took the Illinois recruiting scene by storm in the later Fall 2021 season. One of the more talked about recruits from the Boom showcase and is only getting better.**
